p.s sorry for getting off-topic but i had to ask

joseph goebbels, third reich germany's chief publicist and spokesman, is widely portrayed as a master of lies and deceitful propaganda

himself the excellent work they do he was impressed in an hour long discussion with staff and clients,

why? too many people use moderation as an excuse not to do their best for others

support for the muslim brotherhood in egypt blew up in his face as the military ousted its government and set up a stable new government now hostile to erdogan's interests
